

WORLD CHANGING WORK CHALLENGE

Unilever's Interactive Business Management Challenge will give you a glimpse of what it is like to work in a Global FMCG Enterprise.

Our brands are among the most successful in the FMCG industry because the people behind them weren't afraid to stay hungry for success.

- "Unilever's IBMC" is an opportunity to make a genuine and noticeable contribution to our business.
- Gain real business world experience through a case study that simulates a real world business environment which you can learn from, while analysing and presenting your case.
- The opportunity to meet the leadership team from Unilever.

WHO CAN SIGN UP?

Our 2 day Interactive Challenge and Internship programme is especially designed for final year graduates and will allow you to:

- work with a portfolio of famous worldwide brands;
- team up with some of the best business partners ;
- develop yourself in a rich, diverse and challenging work environment;
- belong to a global business with truly local connections and
- one that is genuinely committed to corporate social responsibility.
